

# THE CONGS OF BLUEGRASS

ONCE UPON A  
TIME, IN THE  
TOWN OF  
BLUEGRASS.....

THERE WAS A HUGE  
CRISIS GOING ON IN THE  
TOWN

BLUEGRASS WAS A VERY  
SMALL SUBURB IN  
MONTANA AND EVERYONE  
KNEW EACH OTHER.

ONE DAY, A GROUP OF  
TOWNSPEOPLE NOTICED  
SOMETHING STRANGE  
ABOUT THE COWS IN THE  
TOWN OF BLUEGRASS.

THEY NOTICED THAT ALL THE COWS WERE BECOMING SICK AND NONE OF THEM SEEMED NORMAL.

THEN ONE DAY WHEN THE MAE FAMILY WENT TO THE GROCERY STORE, THEY NOTICED THAT THERE WAS NO MILK ON THE SHELVES.

A WEEK LATER, THE MAYOR OF BLUEGRASS, MR. KENTUCKY ANNOUNCED THAT ALL THE COWS HAD A DISEASE CALLED NONMILKOPHELIA. HE SAID THAT THIS PROBLEM HAD OCCURRED TEN YEARS EARLIER AND HE DIDN'T WANT IT TO HAPPEN AGAIN.

NOMILKOPHELIA IS A DISEASE THAT RESTRICTS THE COW'S ABILITY TO MAKE MILK, WHICH MAKES THEM DEPRESSED.

WHAT WERE THE DEPRESSED TOWNSPEOPLE GOING TO DO?

EVERYONE WHO LIVED IN BLUEGRASS WAS SAD BECAUSE...WITHOUT MILK THEY WOULD ALL DIE OF STARVATION!

THEN, AFTER THREE WEEKS OF SUFFERING, A MAN NOTICED A PECULIAR CREATURE IN THE SKY.

IS IT A BIRD? IS IT A  
PLANE? NO, IT'S THE  
SUPER MILKMAN!

AND HIS SIDEKICK....SIR  
PIGSALOT.

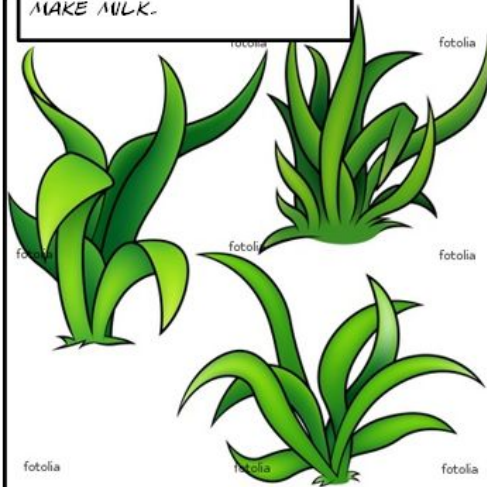

TOGETHER THEY WERE GOING  
TO SAVE THE DEPRESSED  
PEOPLE AND SICK COWS OF  
THE TOWN.

phillipmartin.info

THEY BOTH SAVED THE  
COWS BY GIVING THEM A  
SPECIAL KIND OF GRASS  
CALLED MILKO'GRASS,  
WHICH HELPED THE COWS  
MAKE MILK.

IN THE END, ALL COWS CONTINUED TO  
MAKE MILK AND ALL THE TOWNSPEOPLE  
WERE HAPPY. THANKS TO THE SUPER  
MILKMAN AND HIS SIDEKICK, SIR  
PIGSALOT.
